Around 200 Amazing Artists created a beautiful wing mural using tempera paint on construction paper. We studied the Street Art and murals of Contemporary artist Kelsey Montague. She challenges us to think about “What Lifts You?” This is on display in the Old Cafeteria/STEAM Room at Hoxie Grade School. Parents will have an opportunity to see it during PT Conferences on March 17th.

Sephie Sealock (5th grade) shows off her charcoal drawing which is now on display at the Youth Art Month in Topeka. The show runs from February 25th until March 22nd. The exhibit showcases student work from all over the state at the Alice Sabatini Gallery in the Topeka Shawnee County Public Library.

Tatumn Kaiser (1st Grade) with her beautiful “Tapa Cloth” painting and Nathan Carman (6th Grade) with his charcoal still life represent Hoxie Grade School in the 2020 KS Art Educators Directory.

Ty Fenner (4th grade) holds his amazing Rooster Bark Cloth which is this year's "Secretary's Choice" at Hoxie Grade School! This oil pastel drawing along with Sephie's, Tatumn's and Nathan's masterpieces will be featured on the office wall at the Grade School this upcoming year. Congratulations to these students and all the amazing artists at Hoxie Grade School.
